

# Correct Pronunciation of Phonemes

Word prompts can be useful when trying to isolate individual phonemes in order to articulate them as they are pronounced in words. First say the word and then isolate the identified phoneme. Which phonemes are “unvoiced”?

<b>s</b> sat	<b>a</b> ant	<b>t</b> ten	<b>p</b> party	<b>i</b> pig	<b>n</b> net
<b>m</b> moon	<b>d</b> dig	<b>g</b> get	<b>o</b> cot	<b>c, k</b> kick	<b>e</b> hen
